**Subject:** Comanche ASD web posting and status of response to concerns noted in August 31, 2021 email  
**Date:** Tuesday, September 28, 2021 10:14:00 AM

---

Thank you, Jennifer. We have shared it within EPA and will let you know if there are questions.

I also wanted to confirm that we should be receiving responses to Janice's August 31, 2021 email regarding the Groundwater Monitoring System Certification, as well as the Background Water Quality Statistical Certification, no later than this Friday. If you could provide it sooner to allow for review prior to our October 5 conference call, it would be much appreciated.

Hi Linda,

This is to let you know that the attached notification of the Alternate Source Demonstration for Comanche has been posted to our website at the link below. Let us know if your team has any questions.
